## Fungi, Fun & Friends!

VOLUME 23, ISSUE 4

SEPTEMBER / OCTOBER 2023

## 2023 Meeting Schedule

### Sept. 19 Lichens

**Natalie Howe, PhD** and **Tom McCoy** from the Mycological Association of Washington, DC will present Lichens. In this talk, Natalie and Tom will discuss how lichens survive and thrive in forests and urban lands. How are people and climate change influencing these fungi, and how are fungi influencing people? Natalie and Tom will share stories about searching for lichens in Pennsylvania and across the U.S. After this talk, they hope you will notice more of the dazzling lichen diversity while on your fungal forays, fishing trips, or other adventures.

**Natalie Howe, PhD**

**Tom McCoy**

### Oct. 17 Photo Contest Winners and Election of Officers

WPMC IDENTIFIER **Sara Klingensmith** will present the winners of this year's Photo Contest. In addition, WPMC members will vote on a slate of Officers for 2024.

### Nov. 21 Potluck & Annual WPMC Awards

FOR THE POTLUCK, bring something for 6-8 people, along with serving utensils. The categories are Appetizers, Salads, Hot Dishes, Cold Plates, Soup, Casseroles, Desserts, anything you want—be creative. It does not need to be mushroom related but, if so, wild mushrooms must be identified and approved by a club Identifier or Mycologist before cooking, and any non-members will have to sign a waiver before trying them. Since electrical connections are limited, bring hot food hot, and bring cold food cold. WPMC will provide soft drinks, plates, eating utensils, napkins, and take-home boxes.

WPMC meetings are held on the third Tuesday evening of each month from March through November at the Frick Environmental Center. Each meeting features updates on club activities, a speaker/presentation, mushroom identification table, and mushroom-related merchandise for sale. Meetings are free and open to the public.

You can watch WPMC monthly meetings that are streamed live on Facebook. (You don't need a Facebook account.) NOTE: meetings may begin after 7:00 p.m. at <https://www.facebook.com/WPAMC/> Previous meetings are also available to view.

## Time is Running Out to Register for Lincoff Foray

SEE PAGES 2, 3 & 4 FOR MORE INFORMATION

### Wildwood Road Detour

IF YOU HAVE USED Wildwood Road (Yellow Belt) to get to North Park, you will need to find an alternate route or allow extra time to get to the Lincoff Foray this year. That's because the bridge that carries Wildwood over Willow Run and the Allegheny Valley Railroad is closed through early November. Detours will be posted, but you may want to consult Google Maps for an alternate route. The address for The Lodge at North Park is North Ridge Drive, Allison Park, PA 15101.

# GARY · LINCOFF · FORAY

ONLINE REGISTRATION IS filling up for the 23rd annual Gary Lincoff Foray on **Saturday, September 30**, at The Lodge in North Park. (NOTE: Pricing increases on September 1.)

- Current WPMC member (2023 dues previously paid): \$60
- Non-Members: \$80 (includes 2023-24 membership)
- Students (with ID) and kids 11 to 18: \$40
- Kids 10 & under are free.

To register: <https://wpamushroomclub.org/lincoff-foray/>.

While you're registering, be sure to order an official Lincoff Foray T-shirt designed by WPMC member **Dana Driscoll**. They're \$20 each and come in sizes Small through XXL.

## Saturday Schedule at The Lodge

THE OFFICIAL LINCOFF FORAY will take place on Saturday, September 30, at The Lodge in Allegheny County's North Park. Here's the full schedule:

- 7:30 a.m. Registration & Setup
- 7:45 a.m. Morning Walk Signup
- 8:15 a.m. Overview of Program
- 9:00 a.m. Morning Walks
- 11:30 a.m. Lunch (Food Trucks Available)
- 1:00 p.m. "White-Nose Syndrome in Bats" by Dr. Barrie Overton
- 2:15 p.m. "Under Pressure: Evolution Oddities in the Fungal World" by Noah Siegel
- 3:15-6:00 p.m. Live Music, Mushroom Display, Meet & Greet Speakers, Visit Vendors
- 3:30 p.m. Cooking Demonstration
- 4:00 p.m. Auction Results
- 4:30 p.m. Mushroom Feast
- 5:30 p.m. Table Walk
- 6:00 p.m. Cleanup

## Guests Mycologists Noah Siegel and Barrie Overton

**DR. BARRIE OVERTON** is a professor of biology at Lock Haven University (now part of Commonwealth University of Pennsylvania), where he teaches Biology and Mycology courses. His areas of expertise include plant pathology, identification of wild edible mushrooms, and White-Nose Syndrome (WNS) in bats.

WNS is a fatal disease, caused by *Pseudogymnoascus destructans*, a fungus that has devastated North American bat populations. At this year's Gary Lincoff Foray, Dr. Overton will talk about WNS and the new species of *Pseudogymnoascus* that he has found in Pennsylvania caves.

**NOAH SIEGEL**, one of the premier mushroom photographers in the nation, will present "Under Pressure: Evolution Oddities in the Fungal World." This lecture will highlight some of the fascinating traits which fungi have evolved due to environmental pressures, and the strive to get ahead in the fungal world.

Noah travels and lectures extensively across America. His photographs have appeared on the covers and have been featured in articles of multiple issues of *FUNGI Magazine*, the primary mushroom enthusiast magazine in the United States, numerous mushroom books, as well as many club publications. He is currently working on *Mushrooms of Cascadia: A Comprehensive Guide to Fungi of the Pacific Northwest*.

## New This Year: Food Trucks!

DON'T WORRY IF you forget to bring a lunch to the Foray or if you don't bring enough, because there will be two food trucks onsite during the 11:30 a.m. to 1:00 p.m. lunch period. Sak Pase serves authentic Haitian food, and Worldwide Eatz will bring its exotic foods from Washington, PA.

## WPMC Identifier Will Present Cooking Demo

THIS YEAR'S COOKING demonstration will be presented by WPMC Identifier **Barbora Batokova**. In addition to being a great cook, Barbora is also an outstanding photographer. You can see some of her recipes and photos on her website, [www.fungjiwoman.com](http://www.fungjiwoman.com).

## Vendors

SIX VENDORS WILL be selling unique, handmade goods at the Foray, and each one will donate an item to the auction.

**Fairy Gifted** from Slippery Rock will bring handmade trinkets and treasures for you and your home.

**Heart Filled Macrame** makes handmade macrame gifts and decor, from keychains to wall hanging and everything in between.

**Herby's**  
Photos & Potholders

Retired Pitt professor **Herby Chesler** will be selling his 100% cotton mushroom potholders. Each potholder is unique!

**jen schnakenberg**  
jewelry

**Jen Schnakenberg**, Assistant Director of Education for Pittsburgh Parks Conservancy, will be selling her nature-inspired jewelry.

Based in Butler, **Secret Plant Co.** offers exotic and rare houseplants.

**Wobble Mud Studios** will be back this year, featuring mushroom ceramics.

## Volunteers and Cooks Still Needed

THE ANNUAL GARY LINCOFF Foray is the WPMC's signature event, and it wouldn't be possible without the help of volunteers. Our volunteers are club members just like you who donate their time to make the event happen.

It's an all-day event, but you don't have to volunteer for the entire day. We have small volunteer opportunities that will not take more than a couple of hours of your time. We need help with setting up tables and chairs on Friday and taking them down on Saturday. We also need runners on the day of the event to help with the mushroom display tables and other activities.

We will again be offering rebates on Foray registration to those who volunteer their time at the event in some way. If you are interested in volunteering, please e-mail [lincoff-Foray@wpamushroomclub.org](mailto:lincoff-Foray@wpamushroomclub.org) for more details. We appreciate your support!

Fellow mushroom lovers, if you are planning to attend this year's Lincoff Foray, and you love to cook your favorite food (mushrooms!), now is a good time to think about bringing your signature dish to the Foray. You don't need to cook for 100 people – just 10 to 15.

If you plan to use wild-foraged mushrooms, you will need to first get them identified and approved by a WPMC Identifier or Mycologist. It's OK to use mushrooms that you bought at a store if you are uncomfortable with cooking wild mushrooms. In fact, your dish doesn't need to contain mushrooms at all; some members are allergic or sensitive to mushrooms and will need an alternative meal choice.

Anytime is the perfect time to think about what to bring, with so many delicious mushrooms all around us. Please contact **Mike Henry** if you are interested in bringing a dish or volunteering for other kitchen duties at [forayfood@wpamushroomclub.org](mailto:forayfood@wpamushroomclub.org).

## But No More Auction Donations Needed!

THANKS TO THE generous contributions of WPMC members and vendors for this year's Foray, we have more than 50 great prizes to award! We've got toys & games, clothing & accessories, books & magazines, home décor, and much more! Raffle tickets will be \$1 and may be purchased at the Foray, so bring along some extra bucks.

If you have any questions about this year's auction, call **Kathy Gilotty** at 412-445-3121 or email Past President **Cecily Franklin** at [cs4wpmc@gmail.com](mailto:cs4wpmc@gmail.com).

## Free Walks at Cook Forest Will Precede Lincoff Foray

ON THURSDAY EVENING, **September 28**, WPMC will host a UV Walk at Cook Forest for WPMC members. Meet WPMC experts and Environmental Education Specialist **Dale Luthringer** at the Amphitheater in the Ridge Campground for a UV walk in Cook Forest. The Amphitheater is located at the entrance to the campground; there is additional parking for visitors who aren't camping a little further down the main campground road by the Contact Station.

We will hike Ridge Trail out of the campground and come back on the Pet Loop Trail, for about 1-2 miles total walking. There is no charge for this walk, but you will be responsible for your own transportation.

Those interested in camping are encouraged to book a site through the state's website or call 888-727-2757. Sites 25-31 are closest to the amphitheater; sites 17-22 and 35-39 are also close. Each site can host up to 5 people. Make reservations at this link: <https://www.dcnr.pa.gov/StateParks/FindAPark/CookForestStatePark/Pages/Stay.aspx>

ON FRIDAY, **September 29**, WPMC will host its annual Pre-Foray Walk at Cook Forest State Park. Meet WPMC experts at 10:00 a.m. at Shelter 2. There is no charge for this walk, but you will be responsible for your own transportation and lunch.

## WPMC Awards New ID Buttons

LOTS OF WPMC MEMBERS have been earning ID Buttons. **Becka Marsh** and **Liz Berckmann** (not pictured) earned 50 buttons; **Dan Stockman** and **Jason Simons** earned 75 buttons; **Rachel Gallagher** (not pictured) earned a 100 button; WPMC Membership Co-Chair **Dawn Wehman** earned a 150 button; and WPMC Identifier and Walks Chair **Josh Mowris** earned a 250 button. Congratulations to all!

WPMC's Button ID Button Program offers members a fun way to increase their knowledge of mushroom species. To learn more about the ID Button program and how to submit your list of known mushrooms, go to:

## IN MEMORIAM

### DR. DONALD PLAZEK • 1931-2023

**DR. DONALD J. PLAZEK**, one of the earliest members of WPMC, passed away on July 17. According to the obituary, Donald was "an avid mushroom hunter." His daughter Caroline, also a WPMC member, says "Dad loved mushrooms so much that, even when a wheelchair prohibited him from going on forays, he was still a dedicated member of the club attending meetings, classes, and the Lincoff Foray lectures and feasts."

To read the entire obituary, go to: <https://www.legacy.com/us/obituaries/name/donald-plazek-obituary?id=52489249>

*Dr. Donald Plazek (right) received his "25" ID button from WPMC Past President Dick Dougall on Mushroom Education Day in 2017.*

# Last Chance to Enter WPMC Photo Contest

THE DEADLINE IS rapidly approaching for this year's WPMC Photo Contest. Entries must be received by September 30. WPMC Identifier **Sara Klingensmith** will judge members' photos in four categories: Documentary, Pictorial, Judge's Option, and "Mushroom Selfies."

Here are the Photo Contest rules for this year:

- Deadline for Submissions: September 30, 2023
- Maximum of 5 Entries per WPMC member
- Submit high resolution JPEG files
- Rename images before submitting, using name and subject, e.g., "Joe Smith morel.jpg"
- Email entries to Sara Klingensmith at pamushroomclubphotos@gmail.com.
- Indicate in your email the desired category for each photo.

You must be a member of the Western Pennsylvania Mushroom Club in good standing to enter. Club dues must be up to date. Photos submitted by non-members will not be considered.

## Entry Divisions

**Mushroom Selfies (New!):** Entries must be single, self-taken ("selfie") cell phone photos of you with at least one mushroom. You may also include other willing people, your pets, and other animals that happen to cross the background in the photo. You may use selfie sticks, but no other person may take the photo for you.

**Pictorial:** This division is for single photos that illustrate the beauty and variety of fungi in form and color. The objective is a photo suitable for display or illustration in a fine book. Judging criteria include consideration of both technical (focus, depth of field, exposure, lighting, color, absence of distracting elements) and artistic (composition, color, background, lighting) aspects.

**Documentary:** For single photographs especially suited as illustrations in a field guide or monograph, or for use in a lecture. Emphasis is placed on portrayal of key morphological characteristics such that the usefulness of the image as an identification aid is maximized.

Subjects may be shot in the field, laboratory or studio and the photographer has complete freedom to process, manipulate, or orient the specimen in any desired manner to achieve the goal. Close-ups of single features and photomicrographs are acceptable. Judging criteria will be the same as in the Pictorial category but they will be of secondary importance to the overall mycological utility of the photo. Accurate identification of the subject will be a consideration.

**Judge's Option:** For photos which do not fit into the Pictorial or Documentary divisions. Examples include fungi in an interesting situation, fungi with animals, people enjoying fungi.

**Subject material:** Organisms from the Myxomycota (slime molds), the classes Basidiomycetes and Ascomycetes of the Eumycota ("true fungi"), and Lichens are eligible. For Judge's Option, nearly anything goes, so long as the theme relates to fungi, and fungi are a key element of the photograph.

**Use and copyright:** WPMC may use your photographs on the website, newsletter and Mushroom Catalog and when we do, they will always be accompanied by your name as photographer (mentioned on the same page or caption of the image). WPMC will not allow the use of your photographs on other websites, although realistically we cannot prevent this. We will not sell or provide the images to others without your permission and the images remain the property and under the copyright of you the photographer and are used under license by the Western Pennsylvania Mushroom Club.

WPMC Identifier Josh Doty used this Dryad's Saddle to hold his camera while he got a drink of water.

## WPMC Members Approve Honorary Membership

IN JULY, WPMC received a nomination to award an Honorary Lifetime membership in WPMC to **Richard Jacob**, who served as President for three years. WPMC's Board of Directors unanimously approved this nomination, and a majority of the membership approved at the August meeting.

Richard's certificate reads as follows: "For your many contributions to the success of WPMC, including Serving as President, Webmaster, Identifier & DNA Barcoding Chair; leading numerous walks, making presentations, & contributing to the WPMC newsletter; handling A/V for meetings and recording species found."

**Day and time for walks vary.** Please read carefully for any registration requirements or fees. Check the website at [www.wpamushroomclub.org/events](http://www.wpamushroomclub.org/events) for updates, directions, and much more!

**NEVER EAT AN UNIDENTIFIED MUSHROOM!**

If you would like to lead a WPMC walk, or if you know a great walk location, please email WPMC Identifier **Josh Mowris** at [joshmowris@yahoo.com](mailto:joshmowris@yahoo.com).

**NOTE: The Western Pennsylvania Mushroom Club does not endorse or support the commercial harvesting of wild mushrooms from any state, county or city park. WPMC does promote the gathering of mushrooms—where permitted—for recreational, educational and scientific purposes.**

## Important Walk & Foray Information

- Try to dig up three of the same species at different stages of development.
- Don't pick old mushrooms; leave them to drop spores.
- You are responsible for not getting lost. Find a buddy to search with.
- Only Club Mycologists and Identifiers should be used for identification and advice.
- Take notes and pictures to help you remember the mushrooms: location, habitat, etc.
- Whether you decide to eat a mushroom is ultimately your responsibility alone.
- **Help Keep Our Parks Clean!** When mushrooming, it's easy to bring a plastic grocery bag to collect cans, bottles or other trash you find. Trash cans are generally found nearby. If not, take it home for disposal.

## Phipps Focuses on Fungi for Fall

PHIPPS CONSERVATORY'S fall Adult Education program includes 20 different options which focus on fungi. These include art classes, cooking classes, mushroom walks, gardening, and a movie! All of these activities are for adults, and all include registration fees for Phipps members and non-members. Some classes also have supply lists and fees.

Some of these events are in person, while others are virtual. Locations include Phipps Conservatory, the Phipps Garden Center in Mellon Park, and Frick Environmental Center. Three of the Instructors are WPMC members, including WPMC President **Stephen Bucklin**, WPMC Identifier **Judy Mackenroth**, and WPMC member **Brittany Burch**. ## WPMC New Committee Chairs

WPMC RECENTLY MADE several changes to the roster of Committee Chairs. Earlier this year, the club created the role of PA DCNR Representative, which has been filled by WPMC Mycologist **Garrett Taylor**. WPMC Identifier **Josh Mowris** has taken over responsibility for the Walks Committee from WPMC Mycologist **Cara Coulter**, allowing Cara to fill the vacant position of Education Chair. Please join us in thanking all of these individuals for their many contributions to the club.

## WPMC Scholarships & Grants

WPMC ADMINISTERS AN annual Scholarship/Grant program to promote wild mushrooming by providing monetary support for educational events, projects, research, or mycological studies by individuals or institutions. Application forms are available on the WPMC website and must be sponsored by a WPMC member. For more information or to register, go to:

<https://wpamushroomclub.org/education/wpam-scholarship-grant-application/>

## WPMC Membership Report

By **Kris Murawski and Dawn Wehman**

AS OF AUGUST 24, WPMC has 822 members from 462 households. Thank you to everyone for renewing your membership or becoming a new member in 2023, as these dues are vital to keep the club running. They contribute over 40% of the WPMC's income every year. If you need to renew your membership or would like to become a member, please go to <https://wpamushroomclub.org/about/join/> and fill out the form.

## Donations Help Fund WPMC Projects

LOOKING FOR A WAY to support WPMC beyond paying your annual dues? Make a donation anytime; it's tax-deductible (if you itemize deductions) because WPMC is a 501(c)(3) non-profit organization. Donations may be made in honor or in memory of a loved one. Your employer may even match your contribution. Make checks payable to Western Pa. Mushroom Club and submit them to WPMC Treasurer, **Jared Delaney**.

## WPMC Newsletter

THE NEWSLETTER OF THE Western Pennsylvania Mushroom Club is published five times a year: March/April, May/June, July/August, September/October, and November/December. Articles, photos, news items and other submissions should be sent to the Editor at least 6-8 weeks prior to targeted distribution. The Editor cannot guarantee that submissions will be included in the next newsletter. The Editor reserves the right to make spelling or grammatical corrections and may suggest content changes to the author. Material published in WPMC newsletters may only be used in other non-profit publications with expressed permission and with appropriate acknowledgements.

## Western Pennsylvania Mushroom Club Release and Indemnification Agreement

**This Release and Indemnification Agreement (the "Agreement") is entered into by and between the Western Pennsylvania Mushroom Club, as it is presently organized and may be later structured ("WPMC") and the undersigned Member (the "Member") on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.**

WHEREAS, WPMC is a non-profit educational organization that has as its principal purpose the sharing of mushroom-related information among its members; and

WHEREAS, all officers, directors, identifiers and members serve WPMC in a voluntary capacity and receive no remuneration for their services; and

WHEREAS, in cases where WPMC charges a fee for its forays, walks, lectures and other events (collectively "WPMC Events"), it is doing so only to cover its direct costs and does not operate in a for-profit capacity; and WHEREAS, the Member understands that there is inherent and unavoidable risk in outdoor activities relating to hunting and consuming wild mushrooms. These risks include but are not limited to the dangers of hiking in difficult terrain, the possibility of misidentifying a wild mushroom, and the possible allergic or toxic reaction that some individuals may have to otherwise edible mushrooms.

NOW THEREFORE, the Member hereby agrees to the following:

1. The Member assumes all risks associated with WPMC Events. The Member expressly acknowledges that it is the Member's sole responsibility to hike safely and to determine whether a wild mushroom may be consumed.
2. The Member releases, holds harmless, and indemnifies the WPMC, its officers, directors, identifiers, and representatives from any and all liability relating to any injury or illness incurred by the Member or the Member's family members as a result of participation in a WPMC Event.

This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania. If any portion of the Agreement is declared for any reason to be invalid or unenforceable, such invalidity shall not affect any other provision of the Agreement. This Agreement shall apply to all current and future WPMC events.
